IN A FEW WORDS

Dear HVTC,

Here we go; the 2010 HVTC Summer Tri-Series is upon us! Club members new and old will line the edge of the water at Wilson State Park on Wednesday, June 9th; it's gonna be a blast. Please be sure to arrive early to secure a good spot on the bike racks; first-come, first-served. More importantly, please be sure to stay upon finishing your race to indulge in my wife's incredible cooking; there's nothing quite like it. So, keep swimming, biking and running to your heart's delight! See ya out there.

Sincerely,
Mark H. Wilson
Professional Life & Triathlon Coach

HVTC Featured Athlete: Creighton Ko

By Mark H. Wilson

Do you have any high school friends who were non-athletes and are now full-on triathletes? You know, those folks who were really fun and great to hang around with, but could care-less about sports? Yes, they were bright and social...and they often thought that bowling was an athletic outing/adventure. Well, our HVTC Featured Athlete of the Month, Creighton Ko, was one such individual. And get this, he grew-up in Hawaii!?! Yes, despite the opportunity on a daily basis to exercise to your heart's content, our club colleague was a self-proclaimed Coach Potato Champion; Dorito's was/is his sponsor. What led him to triathlon? Let's find out.

Hudson Valley Triathlon Club

Volume IX, Issue No. 108 May 2010

Creighton was born in Honolulu, Hawaii and graduated from Kalani High School; he attended Pacific Lutheran University in Tacoma Washington and then Hunter College in NYC. Creighton graduated with a Bachelor's Degree majoring in History with a minor in German and French. Although an active member of the Kalani Bowling Team, sports was just not his thing. Currently, Creighton lives in Tuckahoe, New York (Westchester County) with his partner of 14 years and their children...um, dogs; 2 Shepherd mixes from North Shore Animal League. Creighton works as a Human Resource Information Systems Specialist focusing on third party system integration with the PeopleSoft HRMS system.

Creighton's first triathlon was four years ago in New Hampshire; the Timberman Sprint Triathlon. He really loves the venue; in fact, it's where he completed his first half Ironman in 2009. "The race is awesome; except the double loop run!!!" Creighton has always loved running, biking and swimming. One of his friends is a triathlete and helped to convince him to give it a shot. Although he never participated in these activities in school the environment was always there each and every day and he would like to live it all over again; triathlon is in his blood. Actually, unlike many triathletes, open-water swimming is one of his favorite sports; excluding the wetsuit!

The nature of Creighton's occupation involves working with computers all day long, so he often finds himself day-dreaming of swimming, biking and running. Needless-to-say, he really enjoys being outdoors and working-out with groups or even alone. He finds that some of his best ideas come when he's running and biking; not to mention his love for the calm Zen-like feeling of swimming. In his spare time, he enjoys photography, videography, graphic and web design.

One of the features of triathlon that Creighton cherishes the most is the unique variety of every triathlon event; "no two courses are the same" and "they each have different challenges." He feels that sometimes it's not the physical challenge but the mental strategy that can either sink or pull you through the race. Since he's a recreational triathlete, it also gives him a chance to enjoy nature, sights-n-sounds from different parts of the country and a chance to escape his busy life. He's an avid people-watcher, too, which for him adds some appeal to the sport. He would agree that triathlon can be addictive and he's even "hooked" a few of his friends, as well. "There is such a rush at the finish line that you can't help but be enthusiastic about the sport." Ain't it the truth?!

Creighton has raced in several triathlons and isn't hesitant to announce his favorites; Columbia Triathlon in Maryland and the Timberman Triathlon in New Hampshire. Others he's completed include; NYC Triathlon, Annapolis Triathlon (sadly, no longer exists), The Mighty Hamptons and, of course, the great and wonderful HVTC club races!

Hudson Valley Triathlon Club

Volume IX, Issue No. 108 May 2010

(His words...really!!!) Every year Creighton does one event to raise money for charities and a few of them are; California AIDS Ride (CA AIDS Lifecycle 2007), Athletes for a Cure (NYC Triathlon 2009), Make a Wish Foundation (Timberman 2009), and this year American Diabetes Association (Tour de Cure 2010). It always gives him added inspiration to know that his efforts can help make life better for someone else. (Amen!)

In 2010, Creighton will be doing the Eagleman in Maryland, Timberman Half, and the Half-Full Triathlon in Columbia, MD. And his Grand-Daddy of all goals is to complete an Ironman for his 50th birthday! It's truly been a dream of his and he desires greatly to make it a reality. There's no doubt he'll succeed; however, better hand-over that Couch Potato Crown! Thanks, Creighton.
